## *Billing and Meter Reading Reminders*

- ◆ Billing accuracy requires consistent 30 day readings. Reading your meter on the same day each month insures this.
- ◆ As required by the Michigan Public Service Commission we must obtain an accurate meter reading after 3 estimated billings in a row. We will always try and contact members by phone to obtain this reading. To avoid a costly meter reading charge, please provide us a reading and if you have new contact information, be sure to update it on your account.
